

Supporting the Historic Halvorsen Airlift 2022

The Berlin Airlift Historical Foundation has taken on the challenge to honor a true and patriotic American Hero, the Berlin Candy Bomber, Gail S. Halvorsen by paying tribute and honoring him with a special Candy Drop from our new replacement Douglas C-54D, the "Spirit of Freedom". Festivities are scheduled for a multiday visit to the Spanish Fork, Utah airport with the Candy drop to take place on Saturday May 21, 2022.

This is a very significant and important historic mission to successfully complete and rivals with other successful missions the BAHF organization has accomplished over the years, such as our flight to Berlin in 1998, our 3 missions to Puerto Rico and our flight to Santa Monica, California. This is no ordinary mission and will require 26 hours of flying time, 3400 nautical miles round trip, 5200 gallons of fuel, 3 drums of oil, and additional maintenance on the C-54 to prepare for the big mission. Your help is needed to help make this historic mission a success.

We hope to add your name to the growing list of names who have supported the Berlin Airlift Historical Foundation's mission of history, education and remembrance about the great Berlin Airlift and to honor those who served. We honor all veterans of the Berlin Airlift.
